**How to conduct an online business course with  
Revas Business Simulation Games**

**Experience Business**  
=  
**Understand Business**

## ➤ Step by step....

1. Register **Instructor account** at [www.revas.online](http://www.revas.online).
2. Decide how to organize the game (how many teams and how many students per team) and order the game – see [tutorial video](#).
3. Assign and share license keys with individual students – see [template](#).
4. **Students** register **Student accounts** at [www.revas.online](http://www.revas.online) and join the simulation with their individual license keys – see [tutorial video](#).
5. Prepare a schedule for decision-making and share with students – see [template](#).
6. Share all or selected materials with students – see [link](#).
7. Advance the rounds in the game according to the schedule using „Advance to next round” button in the instructor panel.
8. Enjoy a job well done 😊 and give Revas feedback.
